“Possibly, exclusive, life-long devotion to my favourite subject has blurred my vision and my spirit has become circumscribed. I can assure you, however, dear sister, that in serving my favourite science, I have only one idea in my mind, namely, that through her I should serve my country.” – *Acharya’s letter to Basanti Devi, wife of C. R. Das, after Deshabandhu’s arrest.*

The Way He Lived

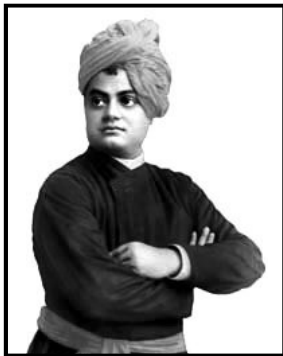

“Acharya Roy, I had the privilege of knowing for the first time when Gokhale was his next door neighbour in 1901 and I was undergoing tutelage under the latter. It was difficult to believe that the man in simple Indian dress and wearing simple manners could possibly be the great scientist and Professor he even then was. And it took my breath away when I heard that out of his princely salary he kept only a few rupees for himself and the rest he devoted to public uses and particularly for helping poor students.”

All of us do not have equal talent. But, all of us have an equal opportunity to develop our talents.

— Dr. A. P. J. Abdul Kalam

The aim of education is to develop respect for humanity at large and to develop human values. 'Welfare and betterment of humanity is the ultimate goal of University education.' Education always has human appeal.

'Universities are dwelling houses of humanism and idealism.' They stand for democracy, nationalism and humanism. Man is above everything even above God. There is nothing higher than the man.

There is essential divinity in man. Every human individual has in him an eternal spark, a creative element. This is the spiritual nature of the man. This spiritual nature brings one individual closer to another. The purpose of Education is to recognise this spiritual quality and to work for its fulfillment. This spiritual nature of man helps to foster international peace, amity and friendship.

ACHARYA PRAFULLA CHANDRA COLLEGE

Journey of 61 Years

Acharya Prafulla Chandra College, a glorious educational institution founded on 16th August 1960, has completed its 60 years of journey. In 1960 it started its journey with rather modest steps but gradually picked up pace and has achieved the status of one of the best colleges in the district as well as the state. We are proud to have celebrated the Golden Jubilee completion of the college in 2010.

History

Acharya Prafulla Chandra College was founded on 16th August, 1960 under the Dispersal Scheme—with the joint participation of the State and Central Governments. Late Haripada Biswas was the founder secretary of this college. ‘New Barrackpore College’ was named as Acharya Prafulla Chandra College, after the name of an eminent visionary Acharya Prafulla Chandra Roy. This great educationist put stress on universal literacy & basic education; he advocated the concept of empowerment of women and wanted the development of indigenous industries through cultivation of entrepreneurial acumen of the educated youth. In the true spirit of Acharya Prafulla Chandra Roy, the college from its nascent state, has tried to propagate the ideals of this great man and the motto illustrates this; “Service, Knowledge, Sacrifice”.

The partition of India witnessed a mass exodus of people of East Pakistan (now Bangladesh) to West Bengal. Among the many refugee colonies that sprang up, New Barackpore was one. Immediately after the need for food and dwelling was met, demand for educational institutions arose. This resulted in the birth of this college with the initiative and endeavour of Late Haripada Biswas. The college had a very humble beginning with a handful of students starting their classes in a few rented rooms of New Barrackpore Colony Boys’ High School. However, today’s picture is one of complete transformation. Struggle is still there - but it is no more a simple struggle for survival but rather a constant endeavour to attain excellence.

Location

The college is situated on the Sodepur Road. The close proximity of the college to New Barrackpore and Madhyamgram railway stations has helped it draw students from far-flung areas of North 24 Parganas. Bus routes also conveniently connect the college with both Jessore Road and B. T. Road.

Mission

Today's Higher Education has witnessed a paradigm shift from elitist esotericism to common man's right to knowledge. This college is trying to adapt itself to this new way of thinking. The semi-urban location of the college caters to the needs of students who come from the grass-root level; some of them are even first-generation learners. The college is trying hard to set a pedagogic goal that is less hectoring and instructional and more learner-facilitating.

Towards This Mission

With this aim in mind the college is successfully running Degree Courses on 22 subjects both Honours and General, two Vocational / Major Courses, eight Post Graduate Courses in Microbiology, Electronic Science, Chemistry, Physics, Mathematics, Bengali, History and Computer Science and two Distant Learning centres. The growing demands of the job market have prompted this college to introduce the study of the comparatively modern subjects. However, the college is equally keen in simultaneous teaching of the traditional subjects. Moreover, professional course like BBA is also operational.

The mode of Distance Education has received a great impetus in this area through the Netaji Subhas Open University Study Centre.

There is scope to study computer science in the college at three different levels. For students wanting to master the subject the college offers post graduate in Computer Science, Computer Science Honours; for those who would learn computer Science as an auxiliary, vocational discipline. Over and above the Institute of Computer Engineers (India) runs a computer centre named 'A.P.C. College Computer Centre' for all categories of students from inside and outside the institution. The courses here are tailor-made to meet the requirements of enterprising boys and girls.

So, the intention of the college is to harmonize the traditional and the experimental outlook.

Achievements

NAAC Accreditation

Acharya Prafulla Chandra College is accredited with Grade 'A' by NAAC (National Assessment and Accreditation Council) in 2016 with CGPA 3.23 in the Second Cycle.

During its long journey since 1960 the college had to pass several hurdles to provide higher education even to first generation learners. Gradually our wings spread. At present we offer twenty six courses at undergraduate level & eight courses at post graduate level. We do have two separate hostels for boys' & girls', auditorium, smart class room, well equipped seminar room, basket ball ground, gymnasium & a fairly large playground. Apart from academic carrier students are encouraged for sports, cultural activities & other community services like NSS. APC College was accredited by NAAC in the first cycle as B⁺⁺ in 2005. But over the years all the functionaries of the college worked hard and worked together to attain excellence. The cumulative effort and relentless work fetched the recognition the institution deserved in the second cycle of assessment by NAAC in the year 2016.

This College in its second cycle of NAAC assessment achieved a glorious feat by attaining grade 'A' with 3.23 grade point. It is now among one of the front running academic institutions in the state.

The Peer team from NAAC who assessed our college appreciated the overall performance of the college starting from Teaching-learning, Infrastructure and Learning Resources, Students Support and Progression down to Governance, Leadership and Management.

The Members of NAAC Peer Team in their report made special mention of two schemes in the college both of which provide financial assistance to the needy yet meritorious students.

One of these projects is run by the teachers in which a Students Benevolent Fund is generated by the monthly contributions of the teachers. Poor and meritorious students are given financial help from this fund.

The Peer team of NAAC highly praised the 'Medha britti Prakalpa' introduced by the students' union of APC College in the year 2014. Medhabritti Prakalpa is a Merit Scholarship Scheme for the meritorious but poor students. This scholarship is actually a tuition fee waiver for highest marks securing students of second year and third year classes for both B.A. and B.Sc. streams.

The college has been identified for the grant from Rastriya Uchchatar Shiksha Abhiyan (RUSA) : 2

Publication

The college has taken the initiative to publish the collection of writings of Acharya Prafulla Chandra Roy in several volumes. In 2008 we ventured to publish the first volume entitled 'Acharya Prafulla Chandra Roy Rachana Sankalan' in two parts (Vol-I & Vol-IA in Bengali and English respectively). A year later it offered to be a co-publisher with Calcutta University to publish the second volume of the Rachana Sankalan in two parts (Vol-II & Vol-IIA in Bengali and English respectively). Third volume of 'Rachana Sankalan' in two parts (Vol-IIIA & Vol-IIIB) has been published by the Calcutta University which includes the reprints of A History of Hindu Chemistry (Vol-I & Vol-II) by Sir P. C. Ray. All these books are meticulously edited by Prof. Anil Bhattacharya. The college has taken initiative for publication of an academic journal for further strengthening of research and quality teaching.

Academic Performance of Students in 2020

Our college is proud to have students who have shown satisfactory performance consistently. Some of them are even rank-holders in the University Examinations. Result of Part-III Examinations, 2020 is given below :

Stream	Number of Students appeared	Number of Students passed
B. A. (Hons.)	275	272
B. Sc. (Hons.)	276	276
B. A. (Gen.)	406	405
B. Sc. (Gen.)	149	149

New Vistas

Post Graduate

Post Graduate studies in Microbiology, Electronic Science, Chemistry, Physics & Computer Science have been introduced in the college from the year 2004, 2005, 2008 and 2009 respectively. Post graduate courses in Bengali, History and Mathematics has been introduced in the college from the session 2017-18.

The Post Graduate Departments of Electronic Science and Microbiology are housed in the 1st & 2nd Floors of the VTG Block respectively. In addition to the well equipped laboratories for the under graduate courses in the above mentioned subjects, laboratory for each PG course with modern sophisticated instruments has been set up. The Departments of Physics & Computer Science are in the main building.

A separate library adjacent to the department caters to the needs of the Post Graduate students. Internet facilities are available both to the students and the faculty.

Modern teaching aids like OHP and LCD projectors are used in Post Graduate classes.

Quality improvement in teaching, particularly in Post Graduate studies, is not possible without research pursuit because research and teaching move hand in hand.

With this backdrop the college is formulating a strategy to initiate a Research & Development Cell for enhancing the need based research along with basic research. Department of Science and Technology, Government of India, has recommended our proposal for FIST programme of DST, 2011 and sanctioned a sum of 79.5 lakh for the scheme in 2012.

The college has procured a plot of land measuring about 2 bighas across the Sodepur Barasat Road, just opposite the existing campus, to establish a second campus for the Post Graduate departments. The construction of a two storeyed Post Graduate building is complete. Prof. Saugata Ray, Hon'ble MP & former Central Minister, Govt. of India has inaugurated the Post-Graduate Building.

Library

Acharya Prafulla Chandra College Library came into existence along with the foundation of the college in 1960. It serves as the workshop for the entire college – students, faculty and other staff alike. Its aim is to support the teaching learning activity in the college and also provide the students updated knowledge and to ensure the optimum utilization of the available resources.

The Central library is situated on the first floor of the main building of college. It occupies about 3000 sq. ft. area and can accommodate about 50 students at a time in the reading room. The library is a great place to study and has silent, quiet and group study area with proper ventilation, lightning & fans. Library staffs are always available to help and support the patrons.

Central Library has a well equipped e-learning room for browsing the online journals, books, databases and two computer terminals for searching the catalogue of library collection.

Library is partially computerised with the implementation of KOHA software and steps have been taken for the full automation of the library.

Library Membership

All the bona fide students, teachers and other staff of the college are entitled to become member of the library.

Students' Benefit & Support System

(a) Stipends & Free Studentship :

The college grants Free Studentship/Half-free Studentship to poor but meritorious students. Applications for Free Studentship must be addressed to the Principal in the prescribed form before a notified date. Boys and girls who have secured at least 50% and 45% marks respectively in the last qualifying examination are eligible to put in their application. At least 15% of the total students of the college are granted concession. Students from Scheduled Castes and Tribes as well as from Other Backward Classes and Minority Communities are entitled to special stipends. For this they have to properly fill in prescribed forms and send them through the Principal to concerned government officials authorized to release these grants.

But here is a word of caution. Students enjoying scholarships, stipends, Full-free /Half-free studentship may find their privileges withdrawn (i) if they show unsatisfactory academic progress or are guilty of misconduct; (ii) if they remain absent from college on grounds other than illness, and (iii) if they get involved in something that is likely to tarnish the name of the college, or misbehave with teachers or fellow students.

(b) Medhabritti Prakalpa of the Students' Union :

From 2014, the Students' Union also has introduced a Merit Scholarship Scheme for the meritorious but poor students. The highest marks securing students of second year and third year classes of both B.A. and B.Sc. streams will get a scholarship equivalent to six months' college fees.

(c) Student Safety Insurance Scheme :

The college has introduced Student Safety Insurance Scheme with United India Insurance Company from 11.12.2015 for UG students. This scheme provides insurance support to the policy holder in case of any accident as per the terms and conditions laid down in the policy. An Amount of Rs. 112.00 plus the service tax @14.5% is paid by each student towards the annual premium of this scheme.

(d) Remedial Coaching For SC/ST/OBC(non creamy layers) and Minority

Remedial Coaching has been introduced during XIIth plan period of UGC to improve academic skills and strengthen knowledge of backward groups of SC, ST, OBC (non-creamy layer) and minority communities. Students belonging to these classes can take the benefit of these extra classes where the classes will be taken by the teachers of this college as well as retired teachers, research scholar and others. General students may also be allowed for such coaching classes if they need.

This coaching scheme has been started in this college in the academic session 2011-12. Approximately 300 classes had been arranged for the academic session 2011-12 and almost 250 students had been enrolled themselves to join these

classes and got benefitted during the session 2011-12. This number has gone up to near 300 in the academic session 2012-13. The scheme was operative in 2014 at the same pace and it will work in 2015 in the same way. The remedial coaching is co-ordinated by Dr. Nazimul Hoque and Dr. Arabinda Das.

(e) Students' Benevolent Fund :

It aims at giving financial aids to poor and meritorious students and is funded by the teachers of this college.

(f) Hostel Facilities :

College has two hostels in its campus :

(i) A women's hostel completed under UGC scheme (80 bedded).

(ii) A central hostel for OBC boys (80 bedded) managed by the BCW department, government of West Bengal.

(g) Common Rooms :

There are separate common rooms for boys and girls. Facilities for indoor games are available here. They also get the scope of interacting and reading newspapers.

(h) Gymnasium :

College has a Gymnasium-cum-Auditorium. Students in the college avail the facilities of physical exercise with 16-station multigym equipment under the supervision of a trained Gym-Instructor.

(i) Playground :

The A. P. C. College enjoys the benefit of a remarkably large playground adjacent to the college.

(j) Health :

New Barrackpore Municipality Hospital provides medical assistance to our students as per requirement. Recently with the help of Dr. Baidyanath Chakraborty in august memory of his father, ambulance facilities have been made in the name of the St. John's Ambulance. Besides, arrangements for a sick room in the college have been made.

(k) College Canteen :

The college has a canteen to serve students.

(l) Campus Interview :

The college has been successful in arranging Campus Interviews for the students of the final year. So far many reputed companies have held such interviews and short listed probable recruits. Other reputed companies inside and outside the state are showing interest and might join this year.

A Career Counselling and Placement Cell has been formed with the following members :

(i) Prof. Joydev Das Biswas (ii) Dr. Subhro Ghoshal, (iii) Dr. Nimai Ratan Adhikari
(iv) Dr. Lopamudra Das (v) Sri Ashish Pal

(n) NSS :

A.P.C. College is engaged in NSS activities round the year. It has got three wings of 100 students each. The various activities of NSS include plantation of trees in college premises and nearby areas, College Beautification program, Anti-Communal week observation, Week-long Programm on “WE ARE ALL ONE” in which lectures are delivered on Health & Nutrition of Aged persons, anti-smoking campaign in nearby railway station, health awareness camps to nearby villages, visiting Anganwari Centres and Adoption of a village named PANIHARA for the intervention purpose, etc.

EXTRA CURRICULAR ACTIVITIES

The value of co-curricular activities, as an integral part of education, cannot be denied. The Students' Union plays a pivotal role in organizing Annual Sports, Cultural Programmes and Competitions, College social, Teachers' Day celebration, Saraswati Puja, Freshers' Welcome etc. The college has several time bound programmes such as Woman Cell operating on Equal Opportunity, Extension Activity, Cultural Programme by Alumni Association etc.

Extension Activity :

Acharya Prafulla Chandra College believes that education means an all-round development of a person in which a sense of social responsibility plays a most vital role. For this purpose, the college undertakes from time to time a number of welfare programmes such as health camps in nearby slums and villages, blood donation camps, seminars on science, social awareness campaigns and so on. These activities always involve students to make them aware of the social conditions of our people. Recently (March, 2017) our college organised free health check-up camps including paediatric & ENT check-up in Charak Math, Ward No. 7, New Barrackpore Municipality, Apurba Nagar & Saharpur of Bilkanda 1 Gram Panchayat. Distinguished doctors, local councillors, panchayat members, our teachers, Non-teaching staff, students, NSS units worked hand in hand to make camps successful.

Awariness Programmes by Women Cell and Equal Opportunity Centre:

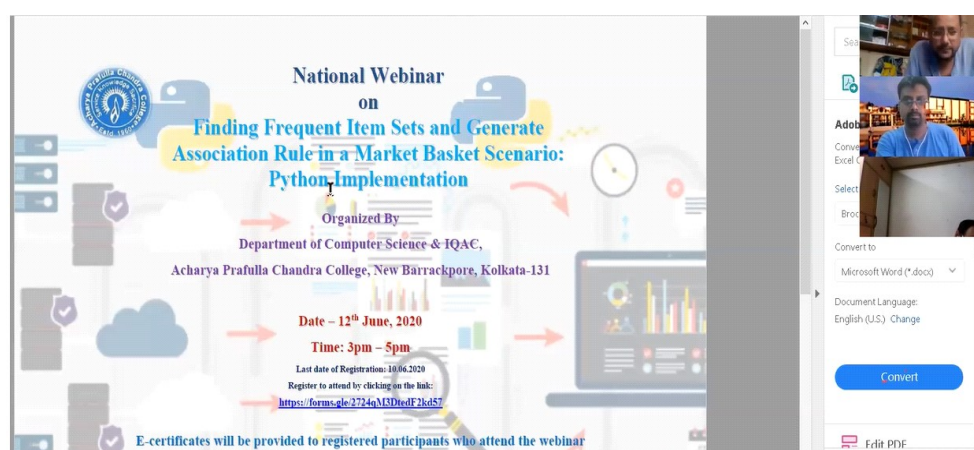

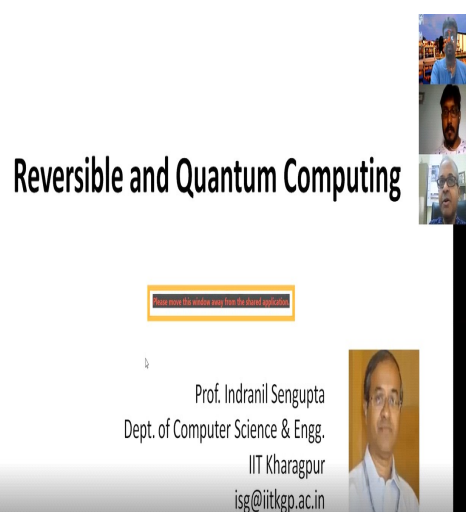

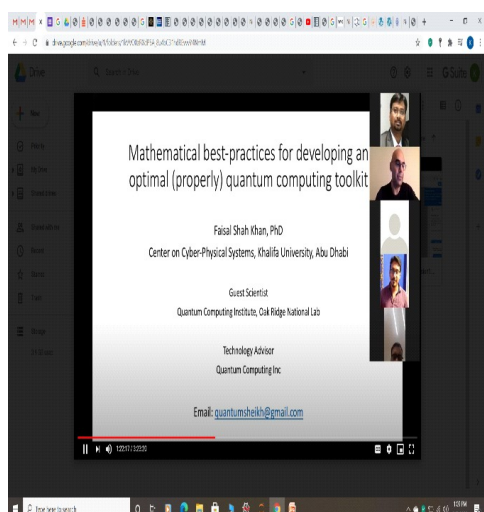

Equal Opportunity Centre funded by UGC has been set up for the upliftment of S.C., S.T., O.B.C., Minorities, Women and the Physically Challenged. Our college reinforce its commitment to creating its campus free from discrimination, harassment, relatiation or sexual assault at all level. Like previous years the college organises seminars or various programmes; one such programme was Gender Sensitization programme held on sept. 2016.

Women Cell joined hands with the Equal Opportunity Centre as interest of the target groups i.e. women are served by both.

Acharya Prafulla Chandra Smriti Sanghralhalaya :

The college has taken the initiative to start a Museum-cum-Archive – 'Acharya Prafulla Chandra Smriti Sanghralhalaya' - which was inaugurated on 5th October, 2005 by Prof.

Rajashekharan Pillai, the then acting-Chairman of U.G.C. The objective of this Archive is to pay a humble tribute to this great thinking soul. This 'Sangrahalaya' will have the photocopies of Acharya's original publications, his letters and such other memorabilia.

A very effective step has been taken in consolidating this effort of opening the 'Sangrahalaya', when the book "Research Papers of Acharya Prafulla Chandra Roy : A Complete Collection" by one of our ex-colleagues, Prof. Anil Kumar Bhattacharya was released on 17th January, 2006. This book is a collection of the scientific papers and articles of Acharya in many reputed journals across the world, which were hitherto unpublished.

Journals / Magazines :

The Students' Union has the credit of publishing the annual magazine of the college, which provides a forum to the students to express their literary talent and capacity for innovative thinking. Apart from this many departments are engaged in publishing journals as well as wall magazines.

The college has recently introduced the facility of E-journals to the teachers of all the departments.

The college has taken initiative for publication of an academic journal for further strengthening of the research work.

Observance of Auspicious Days :

The college observes the college foundation day (16th August) and the birthday of Acharya Prafulla Chandra Roy (August 2) in the presence of teaching, non-teaching staff and students every year.

It also observes 'Independence Day', 'Republic Day', 'Netaji's Birthday', 'Rabindra Jayanti', 'Women day', 'Mother language Day' and the birthday of Sardar Ballav Bhai Patel every year by hoisting National Flag in the college premises in the presence of staff and students of the college.

Alumni :

The Alumni Association of Acharya Prafulla Chandra College ensures a steady interaction between the present students and those of the past. They extend this co-operation for the all over development of the college.

Internet & E-mail :

Almost all the departments, library and college office have access to internet. The website of our college is : www.apccollege.ac.in. The E-mail address of our college is : apc1960@apccollege.ac.in. Our college is now declared as now free wi-fi zone.

Honours & General Courses

The admission sub-committee formulates rules for admission following the guidelines of the University. (For guidelines, see **Annexure**). The admission of the S.C./S.T./O.B.C-A / O.B.C-B /Physically Challenged candidates is regulated by Government norms. Special consideration in admission may be made to those students having outstanding performance in games and sports.

Procedure :

- a) Attested copies of S.C. / S.T. / O.B.C. Certificate should be furnished, issued by appropriate authority as per the latest Government Order. Physically Challenged Candidates must attach attested copies of relevant documents from the competent authority.
- b) Students seeking admission to the 1st year degree classes should take note of the following :
 - i) The last date for the submission of the admission forms should be rigidly maintained.
 - ii) Merit list will be published on time and this will be followed by counselling by different departments. Time and day will be duly notified. The dates of counselling should be strictly maintained. The students who have decided their choice of subject after counselling must take their admission on the very day of counselling. If any deserving candidate's name is inadvertently left out from the list, he or she should immediately contact the Principal for rectification before the counselling .
 - iii) In respect of admission the college authority reserves the right to make final decision without being answerable to any outside person, agency etc.
 - iv) On the date of admission all the **ORIGINAL** documents should be produced.
 - v) **All admissions are provisional.**

Migration

Students coming from other universities / other states or outside India, if admitted, must produce a Migration Certificate within One Month of Admission.

The students from Bangladesh (who fulfil the criteria) may be admitted provided they obtain Indian Citizenship Certificate or produce students' visa issued by appropriate authority. Proper evidence should be furnished during the time of admission.

The Principal has the authority to reject any application for admission, without showing reasons, in the interest of the college.

Regulations for Admission to the Six Semester B.A./B.Sc./B.Com. (Honours and General) and B.Mus. (Honours and General) Courses of Studies effective from the Academic Session 2018-2019 under Choice Based Credit System.

1. Admission Qualifications :

A candidate who has passed the Higher Secondary (10+2) or its equivalent examination is eligible to seek admission to the First Semester of the Six Semester B.A./B.Sc./B.Com. (Hons. and Genl.) or B.A. Music. (Hons. and Genl.) Course of studies provided he/she has also passed in English having full marks not being less than 100.

In any case, where there is an ambiguity regarding the admissibility of a particular examination at the Higher Secondary (10+2) level of study, the matter shall be referred to the Equivalence Committee of the University who shall determine the eligibility of the said examination.

However, no candidate, in general, shall be allowed for admission after a lapse of more than 3 years from the year of passing the previous qualifying examination. Those desirous to do so will seek permission from the University Authority.

The year of admission shall not be taken into account while calculating 3 years from the year of passing the previous qualifying examination.

However, in exceptional cases a candidate, may be allowed for admission after 3 years of the previous qualifying examination but within 3 years after discontinuation of a recognized regular Course of Study. Those desirous to do so will seek permission from the University Authority.

For the purpose of determining eligibility for admission to the Honours Course, aggregate marks shall be calculated by adding the marks of **top four subjects in order of marks secured by a candidate**. However, marks in compulsory Environmental Education/Studies shall not be taken into account for calculation of aggregate marks. If the subject "Environmental Science" is studied as an elective subject of 100 marks, it may be taken into account for the purpose of determining the aggregate marks.

2. Eligibility Condition

2(a) A candidate taking up Honours Course in a subject must have obtained :

- i) A minimum of 50% marks in the aggregate and 45% marks in the subject or related subject at the previous qualifying examination. In case of B.Mus. (Hons.) 45% marks in the aggregate and 45% marks in the subject Music in the pre-qualifying examination.

OR

ii) 55% marks in the subject or related subject at the previous qualifying examination.

OR

iii) 50% marks in the aggregate when the candidate has not studied the subject in his/her previous qualifying examination provided all the other clauses are satisfied.

However, if in any Honours subject, the number of applications are so low that even the permitted intake of the college cannot be filled up, then the Principal may use his discretionary power to reduce the minimum requirement for admission in that subject. A written note in that respect should reach the Registrar for consideration of that decision for a final approval by the University and the decision will be communicated to the Dept. of Higher Education, Govt. of West Bengal for information.

2 (b) However, candidates belonging to the Scheduled Caste or Scheduled Tribe Community taking up Honours Course of study must have obtained a minimum of 40% marks in the aggregate and 40% marks in the subject or related subjects at the previous qualifying examination, as the case may be.

3. Candidates from other Boards

3(a) Students, who have passed the Higher Secondary (10+2) examination or its equivalent from the All India Boards/Councils or State Boards/Councils including Open Schools and vocational studies, are eligible for study at the UG level.

3(b) Students who have passed the Higher Secondary (10+2) examination or its equivalent from the All India Boards/Councils (i.e. CBSE, ISC and National Institute of Open Schooling) are not required to submit the Migration Certificate for getting Registration under this University.

3(c) Any dispute regarding eligibility criteria would be resolved by the Equivalence Committee set up by the University or by the Executive Council in its absence.

4. Choice of Courses

4(a) For the B.A./B.Sc. (Honours) Course of Studies, a candidate is required to choose his/her Honours in a discipline and two other disciplines for Generic Elective courses, from among Group-I to Group-VIII as follows by taking not more than one disciplines from any of the groups mentioned hereunder :

Career Counselling :

An interactive career counselling session of the BBA Hons. department with various companies was successfully organised by the college. Many companies recruited some third year students.

A few more points about the Department :

As part of their curriculum, the third year students had to go through a rigorous four week Vocational Training in different Companies.

(The college will not be in a position to conduct the course if the number of students becomes less than 10)

NPTEL

In recent years the Govt. of India is laying a lot of stress the reach of quality education through SWAYAM - its MOOCS based platform. The aim is to allow students to enhance their knowledge, skill-base and thereby their employability by undergoing certification courses in parallel with their education through the formal system. The **National Programme on Technology Enhanced Learning (NPTEL)** is one such initiative funded by the Ministry of Human Resource Development (MHRD), providing learning materials in science and engineering through online Web and Video courses in Engineering, Sciences, Technology, Management and Humanities. This is a joint initiative by seven IITs and IISc Bangalore. Other selected premier institutions also act as Associate Partner Institutions. The NPTEL video lectures series is one of the most subscribed educational channels on Youtube.

Certification Programs: NPTEL contents are being used by various educational institutions as part of their teaching-learning process. Certification courses are offered by NPTEL in association with industry partners like Aricent, NASSCOM and Google. Currently, 159 courses are available for certification. Exams are being conducted twice a year which aim at bridging the gap between academia and industry.

BENEFITS OF NPTEL – Besides the obvious advantage getting a certification from IIT which will add value to your CV it also offers a lot of other benefits like (i)

INTERNSHIPS in Research laboratories for course toppers, in companies (in collaboration with Internshala) (ii) **GATE Preparation using NPTEL Material:**

GATE (Graduate Aptitude Test in Engineering) is IIT's competitive entrance exam for Master's and Doctoral programs across India. NPTEL provides GATE question papers and mock tests on its official website nptel.ac.in. Previous 3-year question papers with reference to NPTEL content are available. Practice tests (without solution) are also available for students that mimic the actual online exam pattern (iii)

INDUSTRY-ACADEMIA Tie-up - NPTEL has tie-ups with companies like IBM, TCS whereby performers scoring a minimum percentile in certain courses (fulfilling other academic criteria) will get an automatic call for OFF-CAMPUS interviews. Some of the courses are also designed by them.

A.P.C. Local Chapter of NPTEL

We have opened a Local Chapter of NPTEL in our college in 2017. Over the past two years a fair number of undergraduate and postgraduate students have successfully completed various courses. The local chapter will allot a faculty member as your mentor to guide you through your assignments, doubt clearing etc.

WHOM TO CONTACT- In case of any queries please contact Dr. Subhro Ghosal (Dept. of Electronics)

International seminar on Recent Trends In Science Towards Sustainable Development

The college organised a two days international seminar on Recent Trends In Science Towards Sustainable Development in In Collaboration with Indian Chemical Society and sponsored by the Department of Biotechnology on the 6th and 7th of august 2019. The seminar covered a wide range of topics from Bio-technology, Ethnomedicine and Nanotechnology to patents and Intellectual Property Rights. Multiple parallel sessions were held along with a poster session where Faculty members from different Universities across the country presented their scientific work.

The event was enriched by a number of eminent scholars like Dr. Christopher W Bielawski, Distinguished Professor -Ulsan National Institute of Science and Technology (UNIST), South Korea.

University of Texas at Austin (Professor, 2004-2013), USA , Prof. Sujit Roy Prof. IIT Bhubaneswar ,Prof. K.K. Chattopadhyay of Jadavpur University ,Dr. Samir Pal of Bose Institute etc.

Seminar on International Women's Day

On the eve of the International Women's Day, on 6th March 2019, departments of Political Science and Sanskrit arranged a lecture cum interactive session for the students. Dr.Nirmalya Majumder, Associate Professor of Political Science of Kanchrapara College and Dr Jayita Mukherjee ,Associate Professor of Political Science , Women's Christian College graced the occasion as the Speakers. Dr. Majumder spoke on women and communication and Dr. Mukherjee spoke on the position of women in modern India. The session was attended by more than hundred thirty students and faculty members of the different departments of the College. Two short films relating to women's issues were also screened. The students enjoyed the session and the speakers were also happy with the interaction.

Seminar on Women's Cancer

Keeping in view the rapid spread of women's cancer in India the women's cell of A.P.C. College organized an awareness programme on "Woman's Cancer – a few preventive measures" on 3rd May 2019. Dr. Sankar Kumar Nath ,Ex-Senior Oncologist of Calcutta Medical College and a renowned author who is presently working as a consultant oncologist was the speaker.He discussed at length the various types of cancer prevalent in women namely cancer of the breast,cervical region, uterine etc. He highlighted need for changes in the dietary habits with increased intake of green leafy vegetables,fruits along with regular physical exercises as the best defence mechanism against cancer.

District sports

Sport and physical activity are important components of healthy living and is always an integral part of the overall growth and development of society. Educational Institutions have to play a pivotal role in this regard, nurturing both academics and sports activities. It is with this endeavour that the Education directorate, Higher Education. Of Govt. of West Bengal organises Inter-college Sports and Games Championship.

Our college hosted the district level (North 24 Parganas) Inter College Sports and Games Championship, 2018-19 from 29.01.2019-31.01.2019. where students over fourteen colleges in the district participated in a wide variety of events from 100-1500m run, shot-put, discuss, long and High jump etc. Team wise competition was held in football(Men0 and Kho-kho (women).The event was inaugurated by Prof. Sougata Roy, Hon'ble M.P , Prof. Basab Chaudhuri Hon'ble Vice-Chancellor West Bengal State University and Dr. N. Halder President Governing Body while other notable sports personalities also attended the event.

Outreach activities

The NSS Unit of the college regularly organises various outreach programmes involving the local community along with students of the college. This year a special camp was organised from 21.02.2019 to 28.2.2019. This year the village chosen was Taldheria village. As part of the programme Students surveyed the water resource, sanitation and hygiene of the adopted village Taldheria. They also made the people aware about the dangers of dengue including prevention measures and distributed leaflet on dengue. A health camp, sit-and-draw competition and distribution of exercise books for students of the village was also carried out.

Placement and career counselling cell

A career counselling programme for Microbiology (H) students 2019 was held on 19.03.2019 in the conference room of our college. 34 students from the outgoing B.Sc Part III (H) students participated in the programme. The GLF Business school (affiliated to WBSU) counselled the students for MBA course in Biotechnology .Management.

Dayal Group - established brand in manufacturing & Marketing of Cattle Feed, and Poultry Feed & Tissue Culture & Fish Feed products in the country(www.dayalgroup.com) with presence in over 19 states of this country visited our campus on 21.01.2019 to recruit field executives for their organization

A grooming session for facing interview followed by a Campus Recruitment Drive was held by Jetking Infotrain Limited for a number of its clients on 16th and 23rd of April 2019 respectively

Annexure

Session :

The academic session starts on 1st July every year and ends on 30th June of the following year.

Commencement of the 1st year classes :

1st year degree classes are likely to commence from the month of July 2013 and the percentage of attendance will be calculated from the date of commencement of such classes in the college. The exact date of commencement will be notified in the College Notice Board as well as in the website.

Syllabus to be followed in the 1st year classes :

Students admitted to the 1st year degree classes (Hons, General and Major) in the session 2013-14 with the combination of subjects as prescribed by the college will follow the syllabi of West Bengal State University, Barasat for the respective subjects in such classes.

Examinations :

Mid-term tests, Tests and Final Examinations will be held as per the norms of West Bengal State University, Barasat, North 24 Parganas.

For practical papers in the General subjects, instead of a final lab examination, there will be continuous evaluation with dates and signatures of the class teachers, recorded in the note book. Eighty percent (80%) marks of each of these papers are to be evaluated through continuous evaluation. Rest twenty percent (20%) will be decided through a viva-voce examination by external examiner.

As regards the dates of various examinations (including Mid-term and Test Examinations) and of filling up of the forms, notification will be duly given as per directives from the University.

Post Graduate Courses

[Microbiology, Electronic Science, Chemistry, Physics,
Mathematics, Computer Science, Bengali & History]

P. G. PROFILES

The following Post Graduate courses affiliated to West Bengal State University are offered by the college:

Sl. No.	Department	Intake Capacity	
1.	Microbiology	31	<i>(Intake includes the reservation for O.B.C-A and O.B.C-B in the academic session 2020-2021 as per govt. order.)</i>
2.	Electronic Science	31	
3.	Chemistry	38	
4.	Physics	31	
5.	Computer Science	28	
6.	Mathematics	15	
7.	Bengali	30	
8.	History	25	

The college has launched three more Post Graduate courses in Bengali, History and Mathematics from the academic session 2017-2018.

All the P. G. courses in the college are conducted through Semester System following the syllabi framed by the concerned P. G. Board of Studies

List of Faculty Members in Different P. G. Departments :

MICROBIOLOGY

The Post Graduate course in Microbiology has been introduced from the academic session 2004-2005.

Faculty:

1. Dr. Prajna Mandal, *M.Sc. Ph.D., Assistant Professor*
2. Sri. Sisir Rajak, *M.Sc., Assistant Professor*
3. Sri. Shaikh Rajesh Ali, *M.Sc., M.Phil., Assistant Professor*
4. Sri. Supratim Mandal, *M.Sc., Assistant Professor*
5. Dr. Nabanita Giri, *M.Sc. Ph.D., Assistant Professor*
6. Dr. Santanu Roy, *M.Sc., Ph. D., State Aided College Teacher*

Guest Faculty:

1. Dr. Saroj Kanti Das, *D.Sc. (Former Chief Bio-Chemist, Central Drugs Laboratory, Govt. of India.)*
2. Dr. Tapati Chatterjee, *M.Sc., Ph.D., Ex-Senior Assistant Director, Indian Institute of Chemical Biology (CSIR), Kolkata*
3. Dr. Satyendra Nath Maitra, *M.Sc., Ph.D., Ex-Associate Professor in Zoology, APC College.*
4. Dr. Subhas Kr. Bhattacharya, *M.Sc., Ph.D., Ex-Deputy Milk Commissioner, Govt. of West Bengal.*
5. Dr. Kajal Dutta, *M.Sc., Ph.D., Associate Biochemist, Central Drugs Laboratory (Govt. of India), Kolkata*

6. Dr. Indrani Datta, *M.Sc., Ph.D., Associate Professor in the Department of Molecular Biology and Biochemistry, A.P.C. College*
7. Dr. Sudip Choudhury, *M.Sc., M.Tech., Ph.D., Assistant Professor, Habra College, West Bengal.*
8. Dr. Rajat Pal, *M.Sc., Ph.D., Assistant Professor, Sister Nivedita University*

11. Dr. Susmita Roy, *M.Sc., Ph.D.*
12. Dr. Jhuma Biswas, *M.Sc., Ph.D.*
13. Mr. Sabyasachi Bhattacharya, *M.Sc., S.R.F.*
14. Sri Diptak Chakraborty, *M.Sc., State Aided College Teacher, Dept. of Zoology*
15. Smt. Upasana Das, *M.Sc.*

Teachers in the college involved in teaching specific topics in the prescribed syllabus of the Post Graduate course in Microbiology:

1. Dr. Saktibrata Bhowmik, *M.Sc., Ph.D., Dept. of Chemistry, (Principal)*
2. Dr. Indrani Dutta, *M.Sc., M.Tech., Ph.D., Assistant Professor, Dept. of Molecular Biology*

ELECTRONIC SCIENCE

The Post Graduate course in Electronic Science has been introduced from the academic session 2005-2006.

Faculty :

1. Dr. Syed Rafi Ahmed, *M.Sc., Ph.D.(Tech.), Associate Professor, Head of the Department*
2. Dr. Subhro Ghosal, *M.Sc., Ph.D., Assistant Professor*
3. Sri Prosenjit Roy Choudhury, *M. Sc., Assistant Professor*
4. Sri Ayan Kanti Pradhan, *M.Sc., Assistant Professor*
5. Dr. Aswini Kumar Mallick, *M.Sc., Ph.D., Assistant Professor*
5. Dr. Abhijit Banerjee, *M.Sc., Ph.D., State Aided College Teacher*

Guest Faculty :

1. Dr. Dipankar Ghosh, *M.Tech., Ph.D., Associate Professor, Future Industry of Technology.*
2. Dr. Abhishek Basu, *M.Tech., Ph.D., Assistant Professor, Electronics and Communication Engineering, RCC Institute of Information Technology*
3. Mr. Arpan Deyasi, *Assistant Professor, Electronics and Communication Engineering, RCC Institute of Information Technology*
4. Mr. Soumen Santra, *Assistant Professor, Dept.of Computer Applications, Techno International, New Town*

One important point to note is that VLSI systems and Designs have been introduced in the Curriculum of P.G in Electronic Science.

CHEMISTRY

The Post Graduate Course in Chemistry has been introduced from the academic session 2008-09.

Faculty :

1. Dr. Saktibrata Bhowmik, *M.Sc., Ph.D., (Principal)*
2. Dr. Nimai Ratan Adhikari, *M.Sc., M.Phil., Ph.D., Associate Professor, Head of the Dept.*
3. Dr. Kallol Mukherjee, *M.Sc., Ph.D., Associate Professor*
4. Dr. Subhojit Ghosh, *M.Sc., Ph.D., Associate Professor*
5. Dr. Sandip Saha, *M.Sc., Ph.D., Assistant Professor*
6. Dr. Madhumita Dandopath Patra, *M.Sc., Ph.D., Assistant Professor*
7. Dr. Madhushree Das Sarma, *M.Sc., Ph.D., Assistant Professor*
8. Sri Ajay Tamang, *M.Sc., Assistant Professor*

Guest Faculty :

1. Prof. Prasanta Bhowmik, *Ph.D., Ex-Reader in Chemistry, Presidency college, Kolkata.*
2. Dr. Durgadas Mukherjee, *Ph.D., Ex-Associate Professor of Chemistry, Mahadevananda Mahavidyalaya, Barrackpore.*
3. Dr. Sanjukta Muhuri, *Ph.D., Assistant Professor of Chemistry, Barasat Govt. College.*
4. Avishek Ghatak, *M.Sc. (C.U.) Assistant Professor, New Town Govt. College.*
5. Dr. Gurunath Mukherjee, *Ph.D., Ex-Sir Rasbehari Ghosh Professor of Chemistry, University College of Science, Rajabazar, University of Calcutta.*
6. Ms. Srijeeta Talukder, *M.Sc.*
7. Dr. Habibur Rahaman, *Ph.D., Assistant Professor of Chemistry, Ranaghat College, Nadia.*
8. Dr. Dipanwita Majumder, *Ph.D. Assistant Professor of Chemistry, Barasat Government College.*
9. Prof. Sanjib Bagchi, *Ph.D., Ex-Professor of Chemistry, University of Burdwan*
10. Dr. Dulal Chandra Bhattacharya, *Ph.D., Ex-Associate Professor of Chemistry, Basirhat College.*
11. Dr. Manju Chakraborty, *Ph.D., Ex-Associate Professor of Chemistry, Bethun College, Kolkata.*
12. Dr. Sukla Maity, *Ph.D., Associate Professor of Chemistry, Behala college.*
13. Dr. Prabir Kumar Sen, *Ph.D., Assistant Professor of Chemistry, Barasat Government College.*
14. Dr. Nilasish Pal, *Assistant Professor, Jaipuria college.*
15. Dr. Madhumita Chakraborty, *SINP*
16. Prof. Manas Chakraborty, *Ex Scientist, Bose Institute.*
17. Dr. Atish Dipankar Jana, *Ph.D., Assistant Professor of Chemistry, Behala College.*

18. Dr. Bireshwar Mukherjee, *Ph.D., Assistant Professor of Chemistry, Uluderia College.*
19. Dr. Swapan Kumar Biswas, *Ph.D., Assistant Professor, Sree Chaitanya College, Habra.*
20. Prof. Kaushik Das, *Ex-Professor of Chemistry, JU.*
21. Dr. Kamala Mitra, *Assistant Professor, P.C. Mohalanobish College.*
22. Sri Anupam Chowdhury, *M.Sc.*
23. Ms. Sayantani Chall, *M.Sc.*
