the people affected by the Amphan super cyclone. Relief materials were distributed to a section of affected people in Nazat village in Sandeshkhali, Sunderban.

## Proposals /Discussion

1. ONLINE TEACHING - The coordinator informed the members that the faculty members had overcome their initial difficulties were making full use of the Google classroom available with the Gsuite for Education subscribed by the college . Some teachers were also uploading lectures on Youtube. Departmental whatsapp groups had been created for sharing of information, class materials etc amongst students.
2. RUSA – Principal informed the members that the College had received second installment of Rs. 50 lakhs. However Dr. Ghosal , who is also the Nodal Officer RUSA informed that with regard to purchase of ICT items the college was unable to place orders as most of the vendors selected through e-tender has expressed their inability to comply due to severe shortage of ICT equipments in lockdown environment. It was felt that a second call be floated after normalization of COVID situation.
3. Dr. Chaitali Bhattacharya mentioned that although a webinar on “Psychological Wellbeing During The Pandemic” had been organized by the Human Development dept. the college needs to hold a psychological counselling session to assess how students were coping with the stress of ONLINE teaching . the other members welcomed the proposal.
4. Dr. Subhojit Ghosh requested the IQAC to organize a webinar/awareness program on Intellectual Property Rights, as NAAC had been laying a lot of stress on it in trecent times.
5. Dr. Sarbani Bhattacharya stresses that as coporation and sharing of resources was the need of the hour , the college should consider organizing a training program on ONLINE Teaching methodologies for School teachers. She mentioned that she herself had benefited a lot from the faculty dev program on ONLINE teaching – organized by the college.

The meeting ended with a vote of thanks from the Principal's chair.

4. The college has successfully completed admission to Undergraduate courses in ONLINE mode.

## Proposals /Discussion

1. ONLINE TEACHING - The coordinator informed the members that the college had availed the services of an ERP platform on a trial basis from an entity called campus technology. IQAC has obtained detailed faculty-wise lesson plan from different departments and the same has been uploaded on the platform. Accordingly faculties are uploading materials ,class links which students can access through their own login.
2. RUSA – As only the vendors for desktop and antivirus software have expressed willingness to supply at quoted rates ,the college has decided to go ahead and order a larger number of desktop items than initially planned , anticipating a different teaching paradigm post-lockdown..
3. Dr. Sarbani Bhattacharya informed the members that WBSU will be conducting the SEM II/IV examination from DEC 15 2020 in ONLINE mode. She briefly discussed the modalities. Prof. Joydeb Biswas suggested that departmental e-mail Id could be created in the college domain and students be asked to submit answer scripts on that e-mail . Question papers to be uploaded on website ..Student data could be collected using google forms. The other members welcomed the proposal
4. Pricipal, Dr.Bhowmik informed members that college was planning to start admission to PG courses in ONLINE mode from November. In this context Dr. Subhojit Ghosh requested that the college consider a revised fee structure , setting aside laboratory and some other charges in view of the pandemic situation. Principal sir informed the members that it would could be considered during notification of admission.
5. College is participating in NIRF 2020-21

6. College is participating in NIRF 2020-21
5. Dr. Ghosal informed the members that in view of the shift of NAAC to a data based approach, the college needs to actively consider an ERP based solution covering –
- (i) Learning Management systems, E-Content Development, Skill-development courses, Internship, 360 degree teacher appraisal system, online repository in library -remote access of e-resource
  - (ii) Integrated student management system- options for mentor connect, grievance posting, feedback, access to resource material – (Web and app based)
  - (iii) Integrated Teacher management system where teachers upload leave, class data, research publication, awards etc
  - (iv) Academic audit, Green Audit, Energy audit.

Members suggested that based on the feedback from the software being used on a trial basis a formal tendering process may be initiated.

The meeting ended with the Principal's chair requesting members to keep safe by abiding with all COVID protocols.

## Proceedings of the IQAC meeting held on 2.02.2021. in the ONLINE mode

The Principal began the meeting by welcoming the members of the IQAC. He also mentioned that the meeting was being held in ONLINE mode as the Lockdown in Educational Institutions was still in effect. The convenor was asked to give a brief summary of the developments which have taken place in the college since the last meeting.

### Work done

1. Purchase of Library books almost complete from RUSA fund completed.
2. Renovation of Library ,bathroom along with construction of toilet for physically challenged persons in both main and VTG building.
3. ICT equipments under RUSA fund – desktop purchased. Work order for antivirus issued.
4. Alumni Association – Registration in final phase.
5. New Teacher Intake- 3 Dr. Ramaprasad Mukherjee, Ajoy Tamang, Dr Atanu Nandy
6. Research Project sanctioned-2.

### New Initiatives/Proposal

The Principal then invited members to put forward their suggestions and comments.

1. Professor Ashok Banerjee opined that the IQAC be more concerned with policy framing issues while the operational issues can be handled by the college administration. His suggestion was that the development activities be broken up into the following heads, namely (i) Infrastructure -both soft and hard (ii) Capacity building of human resource (iii) outreach activities (iv) Accreditation issues.
2. As both the upcoming NAAC and annual AQAR requires a lot of data collection across various categories – Prof. Joydeb Das Biswas suggested that a criterion based committee comprising teachers of the college be formed to streamline the data collection from teachers and office.
3. The Principal informed the members that as the existing conference was proving inadequate for large meetings, a conference room will be set up on top floor of main building.
4. On enquiry by Dr. Ghosal about the proposal of initiating the value-added courses for students, Swami Kamalashthananda assured the IQAC that value-education course will be started as soon as offline classes start.

5. While discussing on placement issues, Prof. Banerjee mentioned that even in tier 1, tier 2 cities there are skill-based jobs which need to be accessed - people involved in that ecosystem can be tapped for providing required skill-set to students to enable students to utilize such employment opportunities and Prof. Banerjee offered to help the college get in touch with such people. Activation of alumni network in this context was also stressed upon.
6. Dr. Chaitali Bhattacharya raised the issue of classes for environment Science. As it involved a large number of students across all departments, accommodation in a single class was not possible. Dr. Joydeb Das Biswas suggested that the college open a youtube Channel and lectures be uploaded on it. Members welcomed the proposal and asked the IQAC coordinator to take necessary steps in this regard.
7. In response to the coordinator's invitation for suggestions with regard to innovations in the teaching-learning process Prof. Banerjee provided two suggestions - (a) "Brown-bag" sessions where there is a sharing of teaching tools and techniques amongst the faculty members; (b) Flipped mode where students are given course materials/video lectures which students prepare as a course pre-requisite. Dr. Subhojit Ghosh suggested that for effective implementation of this participative mode the students may be asked to give presentations based on those materials.  
Principal, Dr. Bhowmik endorsed the suggestion and asked teacher members to hold a wider discussion on this issue, perhaps at a teacher's council meeting.
8. Dr. Ghosal brought to the attention of members that tenure of the present co-ordinator has crossed two years. NAAC advises a tenure of two years, the college should initiate process of new IQAC formation.

The meeting ended with a vote of thanks from the chair to all external and internal members for their active involvement in the development activities of the institution.

## Proceedings of the IQAC meeting held on 24.05.2021. in the ONLINE mode

The Principal began the meeting by welcoming the members of the IQAC. He introduced the new IQAC coordinator Dr. Subhojit Ghosh to the members. His name was recommended in the meeting of the Governing Body in April 2021. He then gave a brief summary of the developments since the last meeting

5. Principal reported that the New Barrackpore Municipality has installed four poles of flood lights at four corners of the college play ground each pole containing 12 high power lights. These lights would be immense help for exercising sport activities during evening in absence of sunlight.
6. IQAC has organized in collaborative manner a webinar on "Trends and Practices of Physical Education and Yoga in Current Scenario"
7. Construction of new floor in VTG building almost complete. e-tender for Lift for VTG building to be floated.

### **New Initiatives/Proposal**

The Principal then invited members to put forward their suggestions and comments.

1. Dr. Ghosal proposed that a Unified ID CARD cum Library Card for students and faculty will help in facilitating a single database for their fees, library clearance etc as well as generate usage report.
2. Prof. Joydeb Das Biswas suggested that the a system of e-records be initiated for office-work. This will help in creating a register for easy retrieval of old bills/vouchers as well as regular updation of financial database. The Principal advised the IQAC coordinator to look into the matter.
3. The coordinator put forward a proposal given by some faculty members about setting up a dedicated room with High performance computing facilities and other associated requirements for faculty and Research scholars in the newly built floor of VTG building.
4. Dr. Ghosal brought to the attention of members that as per WBSU Regulation, all postgraduate departments need to offer a zero credit course on value education/ethics. Coordinator IQAC proposed that a common class on PROFESSIONAL VALUES AND ETHICS be arranged in ONLINE mode for all departments. All members welcomed the proposal and requested the coordinator to initiate necessary steps in this regard.

The meeting ended with a vote of thanks from the chair.
