P.O. New Barackpore, North 24 Parganas, Kolkata-700 131, West Bengal

Proceedings of the IQAC meeting held on 05.07.2022.

Principal initiated the meeting giving thanks to all the members for attending the said meeting. The convener was asked to give a brief summary of the developments that has taken place since the last meeting.

Principal informed the members that a memorandum of understanding has been signed between this institution and Hulladek Recycling Private Limited for disposal and management of E-waste on 25.04.2022.

Principal informed the members that two sanitary napkin vending machines have been installed in the main building of the college and 1500 napkins were donated to the college students free of cost.

Proposals/Discussion:

1. All the members mentioned the necessity of sufficient power back up system for smooth functioning of computers and other important electrical instruments used in different laboratories. For this purpose a heavy duty generator needs to be installed.
2. Drainage system adjacent to OBC boys' hostel requires renovation and reconstruction.
3. Dr Subhro Ghosal emphasized on the utility of biometric attendance system for convenience of the recording of leave accounts.
4. Dr Sarbani Bhattacharyya mentioned the importance of exposure of the students to diverse teaching and learning atmosphere and exchange of faculty members for betterment of the teaching-learning process.
5. Dr.Sarbani Bhattacharya mentioned that in view of the economic hardships faced by a large section of students, employment opportunities are of paramount importance to them.However job opportunities in the organized sector were already depressed. The IQAC coordinator suggested that students and the neighbouring folk especially women could be skilled to become self employed. After a long discussion it was. decided that an incubation cell be formed which will work towards encouraging students towards a career in entrepreneurship. Dr.Chaitali Bhattacharya suggested that mushroom cultivation was a very low investment enterprise which could beinitiated in the first pahse. It was decided that the department of zoology be requested to look at the feasibility of the venture. The college would provide the infrastructural support and initial seed money.Thereafter it would be expected to become self-sustaining.
6. In view of the devastating pandemic situation that has created bottleneck to the classroom

Proceedings of the IQAC meeting held on 20.06.2023.

Principal initiated the meeting giving thanks to all the members for attending the said meeting.

The convener was asked to give a brief summary of the developments that has taken place since the last meeting.

Principal informed the members that papers of fifteen fulltime teachers for promotion have been processed. He also mentioned that pay of eight state funded teachers has been upgraded as per the existing rules and regulations.

Principal also informed the members that MOU has been signed with Anudip Foundations, Kalinagar Mahavidyalaya and Bhawanipur Education Society for exchanging academic and infrastructural facilities. MOU with Netaji Subhas Open University has been renewed. Two seminars have been organized on "Mangroves of Sundarban and it's Medicinal values" and "Recent Trends in Machine Learning and Data Science (Enhancing Insurance Claim Predictions: A Comparative Analysis of Machine Learning Models)". A Film Exhibition & Interactive Workshop has also been hosted.

Proposals/Discussion:

1. All the members indicated the necessity of installation of CC Camera in the newly constructed 3rd floors of the Main Building, VT Building and also in newly constructed Canteen Building of the college for safety and security of the students, teaching and nonteaching staff..
2. Chaitali Bhattacharyya requested to explore the possibility of opening post graduate course in Zoology.
3. Dr Sarbani Bhattacharyya mentioned that some immediate steps need to be taken to increase the number of students in some conventional subjects like Physics, Chemistry, Mathematics, Sanskrit etc. Academic subcommittee of the college should look after the matter.
4. Dr. Subhro Ghosal emphasized the maintenance of instruments and electrical appliance on a regular basis in order to increase their longevity. He also proposed that the departments should be given adequate number of computers for their smooth functioning in respect of storage of valuable data.
